Within the local region of the Washington DC Veterans' Administration, and areas immediately surrounding Washington DC, or within a reasonable travel proximity of Washington DC, have there been sufficient awards of Pre-Cast Parking Garage projects similar in size and scope to a single Veteran Owned Small Business of this region to be afforded the required opportunities of like projects for any Veteran Owned Small Business of this region to demonstrate, without a teaming agreement, that they have on their own, successfully accomplished at least the three (3) Pre-Cast Parking Garage projects similar in size and scope performed within the past five (5) years to meet the technical requirements of the current project?

---
